NOVEMBER / DECEMBER 2019

FROM THE EAST

Brethren, as we reach the end of 2019, I want to personally thank each one of you for your continued support and willingness to keep our Lodge alive and viable for the future. It has been an eye-opening year with all that being Master of a lodge includes, and a big learning experience for me.

We have had some great events this year, including an enhanced version of our Saint John's Summer Solstice Feast with our great friends and Brothers from North Hollywood Lodge #542. We have had brothers from various lodges around the country attend and support our events this year, while others from around the world have inquired.

One of my main goals for the Lodge has been to bring in more membership with enhanced programs and to create "a brand" that will stand out from the rest of the lodges in Southern California. I am proud to say that we are having a few degrees after years of not producing new membership. We have two more First Degrees on November 13th and November 20th. We have also had a big increase in affiliations.

Another goal I had this year was to increase our visibility in the community. Brothers Donald Joe and Oscar Garcia have been working to get us involved with local charities and organizations to better promote the tenets of Freemasonry. In the years to follow, our lodge will be helping host and run local events which will hopefully increase membership interest and make our lodge more visible to the outside world.

I want to congratulate Brother Oscar Garcia on being passed to the degree of Fellowcraft. I also want to congratulate our Officers on continuing to put on great degrees and working hard to get their qualifications in order for the next year. And I want to again congratulate Ron Duncan Jr., PM, for his Hiram Award.

We are working on new a Lodge Logo, and I would like to invite all of the members to our December Stated Meeting on 12/4 so that we can (hopefully) approve the new logo and begin using it.

And as the end of my term quickly approaches, I thank everyone of you for the continued refinement of my rough ashlar, and I particularly thank my mentors throughout the fraternity for their continued uplifting guidance. If it wasn't for these men, my year as Master would have turned out differently. Until next time I leave you with this saying:

“Faber est suae quisque fortunae” - Every man is an artisan of his own fortune.
Sincerely and Fraternally,
Joseph Aritelli-Newman
Worshipful Master

I CAME, I SAW, I CONQUERED

VENI, VIDI, VICI

(JULIUS CAESAR)

This phrase, I have come to realize, can be applied not only during times of war and conquest but also in many aspects of everyday life.

For me personally, I wake up every day seeing this phrase (it's tattooed on my arm) and am constantly reminded of the perseverance of my soul when walking this path we call life. When thinking of the hurdles that face me for the day, I simply look at my inner arm and accept them as the challenges that are to be conquered at this time.

We come into this world, we witness all that it contains, and we one by one defeat our follies and our enemies. Just apply this phrase to all the small decisions you make every day, and see this world and life as the challenge we all face while developing our minds and spirits for the next level of being.

So when you are feeling powerless and vibrating low, ever remember this simple phrase to give you the strength you need to overcome your demons and to conquer this level of consciousness. For this phrase isn't just a phrase of war, but a phrase for those who are looking for knowledge to better themselves.

Greetings from the West

Ahoy from the West,

It is hard to believe that it is already the end of 2019. It seems that this year has just flown by. As we are now approaching the Holiday season, it reminds me of the things for which I am thankful. And while I think about these things all year long, this time of year is especially important. I am thankful for my family, my friends, and my Brothers. I am thankful for the job that I have and the great co-workers I work with. I am thankful for life in general and the joys the Great Creator has afforded me. What are you thankful for this holiday season?

I would like to congratulate Brother Oscar Garcia on his being Passed to the Degree of Fellow Craft Mason. I look forward to his advancement in our Lodge and the journey that he pursues in our Lodge.

I am looking forward to the 2020 Masonic year at Los Angeles Harbor Lodge. We have a lot planned and with proper execution, these events will run smoothly and efficiently.

I look forward to seeing you all in Lodge.

Fraternally,

Greg Peterson, P.M.

Los Angeles Harbor Lodge Annual Family Christmas Party

Wednesday Dec 11, 2019 6:00 PM

You won't want to miss our traditional Annual Family Christmas Party when we present Jim Gamble Puppets in their production of A Visit to Santa's Workshop!

This is always a popular event for the children (and the child in all of us). Bring your children, grandchildren and your neighbors' kids to see this fun Christmas production. Don't forget to invite your coworkers too! Everyone will have fun at this special annual event.

We'll have a complimentary dinner before the puppet show and refreshments afterward.

And we hear tell that Santa will be visiting us again, giving stockings to the children in attendance as well as giving them their very own photo opportunity with Santa in his bright red sleigh. Refreshments will be served after the puppet program. Plan to have a lot of fun!
