FROM THE EAST

Ahoy Brethren,

Can you believe it, the holiday season is already upon us? It seems like this year has just flown by.

During the month of September, we passed Brother Nassaney to the 2nd Degree of Masonry, and Brother Todd Heiss was presented with the prestigious Hiram Award. I would like to thank all of those who participated in making these events spectacular.

On October 15, we had a wonderful BBQ and bourbon event; we had over 40 people in attendance. On October 18, we raised Brother Rios-Otero to the 3rd Degree of Masonry. Thank you to those who made

these events happen.

As we look to the months of November and December, we will be holding our Annual Election of Officers for the 2024 Masonic Year along with two Hall Director positions at our November stated meeting.

I am excited to announce that for the first time in a long time, we will raise **three** brothers to the 3rd Degree of Masonry. Brothers Dixon, Nassaney, and Torrero will be raised during the month of November. This is a momentous occasion for our lodge, and we are moving forward.

On Wednesday, December 13, we will again hold our Annual Family Holiday Party at the Lodge. The Beach Cities Shrine Club will also hold its Annual Holiday Party at L.A. Harbor Lodge on December 2. Contact Paul Galyean for more information.

At the 174th Annual Communication of the Grand Lodge of California, Most Worshipful G. Sean Metroka was installed as the Grand Master. A copy of the results of the Annual Communication can be found in the Resources tab on iMember 2.0 at the Grand Lodge website (www.freemason.org).

I want to thank L.A. Harbor Lodge for allowing me the opportunity to serve you this year as the Worshipful Master; it has truly been an honor.

See you in Lodge!

Fraternally,

Greg Peterson
Worshipful Master

FOR REFLECTION

SUBJECTS NOT DISCUSSED IN LODGE

The two cardinal rules not to talk about in lodge are *religion* and *politics*, as Freemasonry is concerned specifically with neither.

This is an odd paradox in that fundamentally it promotes the individual connection to the divine, but it admonishes us to not promote one belief system over another. Other topics such as work, family, business, or other interests are openly talked about and should be amongst brothers as it builds our fraternal bonds. There “should be” no safer place to discuss these things, our triumphs, and the tragedy as it is always amongst brothers with whom you build these bonds. You can, if you have specific leanings, find others of a like mind and engage in interesting discussions building friendships that will last lifetimes.

Like any organization of people, you will find a wide variety of interests and ideas all within one lodge.

It does seem like there is a paradox there, but that is the harmonious balance. The reason for not allowing politics or religion to be discussed is the ideal, does it happen?

Absolutely.

Should it?

No. The practice of Freemasonry does promote and teach a sort of ecumenical philosophy of tolerance, which is the overarching idea. It does not imply one system of politics or religion is right or wrong.

With that said, we always support and encourage members to attend their religious establishment of choice and participate in its activities, as well as make their voices heard in the political world by exercising your important right to vote.

Celebrate the most wonderful time of the year with a show chock-full of whimsical wintry characters like penguins, snowmen, Rudolph, and even Santa Claus himself!

This is always a popular event for the children (and the child in all of us). Bring your children, grandchildren and your neighbors' kids to see this fun Christmas production.

Don't forget to invite your coworkers too! Everyone will have fun at this special annual event.

And we hear that Santa will be visiting us again, giving stockings to the children in attendance as well as giving them their very own photo opportunity with Santa in his bright red sleigh. Refreshments will be served after the puppet program. Plan to have a lot of fun!
